

Society of Petroleum Engineers: Permian Basin Section RSG INDUCED SEISMICITY EVENT 13 April 2022 • MIDLAND, TEXAS

SPONSORSHIP AGREEMENT

The Society of Petroleum Engineers, Permian Basin Section, Reservoir Study Group Lunch Meeting will focus on fueling the conversation on Reservoir Engineering practices in Permian Basin plays. Our format composes of either a hybrid in-person/remote collection of the Permian's Reservoir, Production and Petroleum Engineers with a speaker guest or an in-person audience with a panel of industry experts. After presentations, the meeting turns to the floor for heated discussion and study on the Permian's most contentious and timely subjects.

Virtually all our attendees work as Reservoir and Petroleum engineers in the Permian Basin. Your sponsorship will be advertised via direct email to hundreds of Permian Basin Owners and Operators, Management, Engineers, Geoscientists and Decision Makers. We are highly active with our promotion and marketing. SPE International is a 501c and all donations are tax deductible.
